

Placing Team-Sized Orders

Soccer City provides a discount for 'team-sized' orders, which applies on orders for 12 or more of the same product-type. Note: While the product type must be the same, you can order a mix of different sizes to build your team-sized quantity.

Because of different tax requirements for Youth sizes versus Adult sizes, we ask that you submit your 'team-sized' order to us by email so we can create an invoice for you that has the correct price. Please email your request to sales@mysocccercity.ca

Here's the information we need to know for your request:

1. Your first and last names, full street address, phone number and email address
2. Which Soccer Club are you with?
3. What product type are you ordering? Please refer to your club's Team Store on our website and quote the exact product name shown in the Team Store.
4. A detailed list of the products required, including quantity, size and any options as offered on the Team Store product page.
